

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

### Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

Special laws, designated by title only, laws pertaining to speculation in office and to penalty for failure to make reports, the filing of bond of school district treasurer, bonds for labor and material for public buildings and the decisions of the supreme court of the territory of Dakota and of the state of North Dakota pertaining to school matters are to be found in the appendices.

A calendar will also be found in the appendices which may be of assistance to school officers in the timely discharge of their duties.

Sec. 154. The interest and income of this fund, together with the net proceeds of all fines for violation of state laws, and all other sums which may be added thereto by law, shall be faithfully used and applied each year for the benefit of the common schools

of the state, and shall be for this purpose apportioned among and between all the several common school corporations of the state in proportion to the number of children in each of school age, as may be fixed by law, and no part of the fund shall ever be diverted even temporarily from this purpose, or used for any other purpose whatever than the maintenance of common schools for the equal benefit of all the people of the state; provided, however, that if any portion of the interest or income aforesaid be not expended during the year, said portion shall be added to and become a part of the school fund.

Sec. 162. The moneys of the permanent school fund and other educational funds shall be invested only in bonds of school corporations within the state, bonds of the United States, bonds of the state of North Dakota, or in first mortgages on farm lands in the state not exceeding in amount one-third of the actual value of any subdivision on which the same may be loaned, such value to be determined by the board of appraisers of school lands.

Sec. 163. No law shall ever be passed by the legislative assembly granting to any person, corporation or association any privileges by reason of the occupation, cultivation or improvement of any public lands by said person, corporation or association subsequent to the survey thereof by the general government. And the legislative assembly in providing for the appraisalment, sale, rental and disposal of the same, shall not be subject to the provisions or limitations of this article.

Sec. 165. Sec. 183. The debt of any county, township, town, school district or any other political subdivision, shall never exceed five per centum upon the assessed value of the taxable property therein; provided, that any incorporated city may by a two-thirds vote increase such indebtedness three per centum on such assessed value beyond said five per cent limit. In estimating the indebtedness which a city, county, township, school district or any other political subdivision may incur, the entire amount of existing indebtedness, whether contracted prior or subsequent to the adoption of this constitution shall be included; \* \* \* All bonds or obligations in excess of the amount of indebtedness permitted by this constitution, given by any city, county, township, town, school district or other political subdivision, shall be void.

Sec. 185. Neither the state nor any county, city, township, town, school district or any other political subdivision shall loan or give its credit or make donations to or in aid of any individual, association or corporation, except for necessary support of the poor, nor subscribe to or become the owner of the capital stock of any association or corporation. \* \* \*

Sec. 186. \* \* \* No bills, claims, accounts or demands against the state, or any county or other political subdivision, shall be audited, allowed or paid until a full itemized statement in writing shall be filed with the officer or officers whose duty it may be to audit the same.

Sec. 187. \* \* \* No bond or evidence of debt of any county, or bond of any township or other political subdivision shall be valid unless the same have endorsed thereon a certificate signed by the county auditor, or other officer authorized by law to sign such certificate, stating that said bond, or evidence of debt, is issued pursuant to law and is within the debt limit.

The sureties on such bond shall be required to justify as required by law in arrest and bail proceedings; provided, however, that in lieu of such personal bond, the city council or school board may require such banks or bank to file a surety company bond for a sum equal to the amount of funds such bank may receive according to the provisions of this act. The city council or board of trustees at any regular meeting thereof may decide to call a special election to vote bonds for any of the purposes stated in section 2474, and they shall give at least fifteen days' public notice of such election by at least two publications thereof in a weekly newspaper published therein, or if there is no such newspaper then by posting such notice in five public places in such city. Sec. 2483. BONDS MAY BE REFUNDED.—All bonds heretofore issued by any city or by or under the authority of the board of education of any city in this state for school or school house purposes may be refunded in the discretion of said board in the manner hereinafter provided, whenever there is not sufficient money in the treasury of such city applicable thereto, to pay such bonds.

Sec. 2487. INTEREST FUND.—Any city, town or village in this state having not less than three thousand inhabitants is authorized and empowered through its proper officers to levy and collect taxes not exceeding twelve mills on the dollar of the assessed

valuation of said city, town or village, for the purpose of creating an interest fund with which to pay interest upon the existing bonded indebtedness of such municipality, including bonds, if any, issued under the direction of the respective boards of education therein. If any officer of such municipality shall use the moneys collected by virtue of this section for any other purpose than that expressed herein, he shall be guilty of a misdemeanor, and upon conviction thereof shall be fined not less than one hundred nor more than five hundred dollars or imprisonment in the county jail not less than thirty days nor more than one year.

Sec. 2488. SINKING FUND.—They may also levy and collect taxes not exceeding four mills on the dollar for the purpose of creating a sinking fund to pay the bonds of the municipality as the same may mature; and the proper officers of the municipality may invest the money in said fund in interest bearing securities of the state or of any organized county therein or of the municipality, and shall in no other manner dispose of the money in said fund, and if any officer of such municipalities shall use the money in said fund in any other manner than as provided in this section he shall be guilty of a misdemeanor.

Sec. 4803. HOW BOND EXECUTED.—Such bond shall run to the state of North Dakota, shall be executed by two or more sureties and shall be for an amount at least equal to the price stated in the contract. It shall be approved by the clerk of the district court of the county in which such building is to be constructed or such public improvement is to be made and the sureties thereon shall qualify in a sum equal to double the amount specified in the bond.

Sec. 4804. WHERE BOND FILED. RECOVERY ON.—Such bond shall be filed in the office of the clerk of the district court of the county in which such public improvement is to be made or such public building is to be erected; and any person to whom there is due any sum for labor or material furnished, as stated in section 4802, or his assigns, may bring an action on the bond for the recovery of such indebtedness; provided, that no action shall

## APPENDIX C

### DIGEST OF DECISIONS OF SUPREME COURT.

#### CONTRACTS.

##### 1. BONDS.

(a) *Consideration—Want of, cannot be shown as against a bona fide purchaser.*—The auditing, by the committee, of claims against the district, and the vote of the district to pay such claims, and the issue of bonds accordingly, precludes any inquiry as to the validity of such claims, as a consideration for such bonds, as against a bona fide purchaser of such bonds.

*Flagg vs. School District No. 70, 4 N. D. 30.*

*Flagg vs. School District No. 70, 5 N. D. 191.*

(b) *Issuance of Bonds—Strict Compliance with Statute.*—Where a statute authorizes the issue of municipal bonds payable in not less than 10 years from date, bonds issued thereunder, payable in 11 days less than ten years from date, are void, even in the hands of a bona fide purchaser.

*People's Bank of St. Paul vs. School District No. 52, 3 N. D. 496.*

(c) *Invalid Bonds—Municipality Otherwise Liable.*—The invalidity of such bonds does not affect the liability, if any, of the municipality, independently of the bonds.

*People's Bank of St. Paul vs. School District No. 52, 3 N. D. 496.*

(d) *Provision for Exchange Does Not Destroy Negotiability.*—An instrument providing for the payment of exchange on a point other than the place of payment, in addition to the principal and

interest, is not a negotiable instrument; and one who purchases the same before maturity, for value, and without notice of any defense thereto, nevertheless, takes it subject to the defense of want of consideration good as between the original parties to the instrument.

*Flagg vs. School District No. 70, 4 N. D. 30.*

(e) *Recitals in Bonds—Estoppel to Dispute*—Municipal corporations are estopped, as against bona fide holders of municipal bonds, from setting up as a defense to an action thereon that all the preliminary steps necessary to authorize the issue of the bonds were not taken, when the officers who have charge of the issue of such bonds are especially or impliedly authorized to determine whether all the conditions precedent to the issue of valid bonds have been complied with, and recite in the bonds so issued that they have been complied with.

*Coler vs. Dwight School Township, 3 N. D. 249.*

(f) *Recital in Bonds—Non-Negotiable*.—The right of a bona fide purchaser of municipal bonds to rely upon a recital or certificate as to facts which the person making the same had authority to determine, does not depend upon the bond being a negotiable instrument. It exists in the case of a bona fide purchaser of a non-negotiable bond as well.

*Flagg vs. School District No. 70, 4 N. D. 30.*

It is not essential that the officer issuing the bonds should be expressly authorized to determine such question, but it is sufficient if they are given full control in the matter.

*Coler vs. Dwight School Township, 3 N. D. 249.*

#### PROHIBITED CONTRACTS.

(a) *Prohibited Contracts, Retention of Fruits of, Does Not Render Municipality Liable*.—Where a contract is expressly prohibited or declared void by statute, retention of the fruits of such contract will not subject a municipality to liability under the contract or on a quantum meruit.

*Goose River Bank vs. Willow Lake School Township, 1 N. D. 26.*

*Capital Bank of St. Paul vs. School District No. 53, 1 N. D. 479.*

#### II. TEACHERS.

(a) *Employment—Void without Certificate*.—A contract duly executed between the proper officers of a school district and another person, by the terms of which said person is employed as a teacher

in a public school in said district, is void, where such person at the time of making the contract, holds no certificate of authority to teach in the county where the district is located.

*Hosmer vs. Sheldon School District No. 2, 4 N. D. 197.*

(b) *Certificate Will Not Relate Back.*—The subsequent procurement of such certificate will not enable such person to recover against the district damages for the breach of such contract.

*Hosmer vs. Sheldon School District No. 2, 4 N. D. 197.*

### III. WARRANTS.

(a) *Assignee—Bona Fide Purchasers.*—As school warrants are not negotiable so as to cut off defenses an assignee cannot recover thereon as being a bona fide purchaser.

*Goose River Bank vs. Willow Lake School Township, 1 N. D. 26.*

*Capital Bank of St. Paul vs. School District No. 53, 1 N. D. 479.*

*People's Bank of St. Paul vs. School District No. 52, 3 N. D. 496.*

(b) *Rights and Duties of Purchasers of Warrants.*—Persons purchasing obligations apparently issued by municipal corporations must see that the powers of the corporation have not been exceeded.

*Farmers and Merchants' Nat. Bk. vs. School District No. 53, 6 Dakota 255.*

The purchasers of school bonds, for value, and before maturity, and without notice that any of the conditions of the statute relating to the proceedings to authorize the issue of the bonds had not been complied with, could rely upon the certificate of the county clerk that the preliminary proceedings had been complied with.

*Flagg vs. School District No. 70, 4 N. D. 30.*

Where the statute provides that the bonds should not issue unless the title to the school site was in the school board, the certificate of the county clerk that such conditions as to title had been complied with was final as against the school district in favor of a bona fide purchaser.

*Flagg vs. School District No. 70, 4 N. D. 30.*

(c) *Teachers Without Certificates—Warrants Void.*—No teacher shall be employed to teach, who does not hold a lawful certificate; and every warrant issued to such teacher is without consideration and void.

*Goose River Bank vs. Willow Lake School Township, 1 N. D. 26.*

(d) *Non-negotiable Warrants*.—School township warrants are not negotiable instruments in the sense that their negotiation will cut off defenses to them existing against them in the hands of the payee.

*Goose River Bank vs. Willow Lake School Township*, 1 N. D. 26.

## OFFICERS.

### IV. SUPERINTENDENT OF SCHOOLS.

*County Superintendents—Compensation*.—Sec. 652, Rev. Codes, which prescribes the salaries of county superintendents of schools, construed, and held, that said section requires the salaries shall be computed upon the basis of the number of schools or separate departments of graded schools presided over by superintendents, which have been taught at least three months in the preceding year, and shall not be computed upon the number of schools which have been taught less than three months. This construction of said section is not of that doubtful character which would warrant the courts in following a contrary interpretation placed thereon by the department of public instruction.

*Wiles vs. McIntosh*, 10 N. D. 594.

That portion of Section 652, Rev. Codes 1899, which provides that "in counties having sixty schools the board of county commissioners shall appropriate one hundred dollars for clerical assistance in the county superintendent's office and five dollars for each additional school to be paid monthly. \* \* \*" construed. *Held*, That the appropriation required to be made by said section is not for the personal benefit of superintendents, but is to create a fund to pay the county's obligation to such clerks as shall be lawfully employed in that office. *Held*, further, that said section does not make county superintendents custodians of such funds, or authorize them to audit the accounts of clerks which are to be paid therefrom. Such accounts are to be audited and paid the same as other accounts, the amounts of which are not fixed by law.

*State vs. Heinrich*, 11 N. D. 31, 88 N. W. Rep. 734.

## SCHOOL DISTRICTS.

### V. JUDGMENTS.

(a) *Judgment Against School District—Enforcement*.—Where a judgment is obtained against a school township organized under

chapter 44 of the laws of 1883, on an indebtedness of a school district for whose indebtedness such school township became liable under section 144 of such statute, the judgment creditor may proceed to enforce such judgment, the same as any other judgment against such school township.

*Coler vs. Coppin*,—7 N. D. 418.

(b) *Mandamus to Compel Payment of Judgment*.—Where a judgment is obtained against such a township on an indebtedness of a school district and subsequent to the entry of such judgment the township is divided into two school districts, the judgment creditors may proceed to enforce such judgment against such districts, and each will be required by mandamus to levy a tax sufficient to pay its pro rata share of such indebtedness, based upon the amount of its taxable property.

*Coler vs. Coppin*.—10 N. D. 86.

## VI. ORGANIZATION AND GOVERNMENT OF SCHOOLS.

### 1. POWERS AND DUTIES OF SCHOOL BOARDS.

(a) *Build School Houses and Issue Warrants—When*.—Where the statute required that the voters of a school district should select a site for a school house, and the district, without this having been done, selected it, built a school house and issued warrants therefor without the authority or ratification of the voters, the warrants were void.

*Farmers and Merchants Nat. Bk. vs. School District No. 53*, 6 Dakota 255.

(b) *Contracts Ultra Vires—Ratification*.—Where a contract is void because the district board has no authority to make it, it cannot be made binding upon the district by subsequent ratification by the inhabitants.

*Capital Bank of St. Paul vs. School District No. 53*, 1 N. D. 479, distinguishing *Capital Bank of St. Paul vs. School District No. 85*, 6 Dak. 248. *Farmers and Merchants' National Bank vs. School District No. 53*, 6 Dak. 255.

(c) *Limitation of Indebtedness*.—The school board cannot exceed the tax levied, in building a school house.

*Farmers and Merchants' Nat. Bk. vs. School District No. 53*, 6 Dak. 255; *Capital Bank of St. Paul vs. School District No. 85*, 6 Dak. 248; *Capital Bank of St. Paul vs. School District No. 53*, 1 N. D. 479.

(d) *School Board Responsible for Lost Funds*.—Where bonds were regularly issued, but were delivered to a bank to be negotiated

and sold, and the proceeds were never turned over to the school township, the school board was wholly responsible for the loss.

*Prairie School Township vs. Haseleu*, 3 N. D. 328.

(e) *School Township Treasurer—Cannot Sell Bonds.*—The school board is the official governing board of the school township and has full power and authority, to issue, negotiate and sell bonds of the school township, as have been duly voted by the electors for the purpose of building a school house; and that the township treasurer acting independently, has no authority, under the law, and by virtue of his office as treasurer, to issue, negotiate or sell bonds.

*Prairie School Township vs. Haseleu*, 3 N. D. 328.

(f) *School House Site—How Selected.*—The district school board must submit the selection of site for school house, and the building of a school house to the voters.

*Farmers and Merchants' Nat. Bk. vs. School District No. 53*, 6 Dak. 255.

## 2. POWERS AND LIABILITIES OF SCHOOL DISTRICTS.

(a) *Boundaries of School Districts—How Changed.*—When petitioned by a majority of the citizens of a district, it is the duty of the county superintendent to divide his county into school districts, subdivide and rearrange the boundaries of the same.

*Darmouth Savings Bank vs. School Districts*, 6 Dak. 332.

Upon organization into a civil township of a portion of the territory comprising a school township corporation, held, construing sections 658 and 659 revised codes, that such civil township continues for school purposes as a part of such school township corporation until segregated therefrom by the commissioners and county superintendent of schools, upon petition of the voters.

*State, ex. rel. Laird vs. John Gang*, 10 N. D. 331.

(b) *Estoppel by Acts or Representations of Officers.*—The officers of a school township cannot estop the township, by representation, expressed or implied, that the facts to authorize the issue of lawful warrants exist.

*Goose River Bank vs. Willow Lake School Township*, 1 N. D. 26.

(c) *Implied Powers.*—School districts being special statutory creations, have only such implied powers as are necessary to accomplish the purposes of their existence.

*Farmers and Merchants' Nat. Bk. vs. School District No. 53*, 6 Dak. 255.

(d) *Organization—Estoppel to Dispute.*—A school district is not estopped to question the legality of its organization.

*Darmouth Savings Bank vs. School District, 6 Dak. 332.*

(e) *Organization of District—Liability for Debts.*—A school township organized under chapter 44, laws 1883, becomes, immediately upon such organization, liable for the debts of the district, the school house and furniture of which becomes the property of the school township. This liability is complete, and does not depend upon the settlement of the equities between the several districts included in the new school township, under sections 136, 138, chapter 44, laws 1883.

*Coler vs. Dwight School Township, 3 N. D. 249.*

*Coler vs. Coppin, 10 N. D. 86.*

(f) *Petition for Organization of School District—Sufficiency.*—The board of county commissioners having found that a certain petition for the organization of a civil township contained the requisite number of legal voters, and having acted thereon by taking necessary steps to organize such township, the question as to the sufficiency of such petition is not open to judicial investigation in mandamus proceedings to compel the calling of an election for school officers in such township.

*State, ex. rel. Laird vs. John Gang, 10 N. D. 331.*

(g) *Special School District—Equalization of Interests.*—Where a school district is divided, by the organization of a city or incorporated town or village situated within said district, into a special school district, under the provisions of chapter 62 of the laws of 1890, the board of arbitration provided for by said chapter to equalize the interests of said districts must take into consideration the school building owned by the original district, and adjust the rights of the respective districts concerning the same.

*State ex rel, vs. School District No. 21, 6 N. D. 488.*

(h) *De Facto Corporations—Validity of Bonds.*—In an action upon the coupons of bonds issued by a de facto school district, the defense that the bonds were void on the ground that the district had no legal existence because of failure to comply with provisions of the statute regulating the organization of such districts in matters which went to the jurisdiction of the county superintendent to organize the district cannot be interposed.

*Coler vs. Wright School District, 3 N. D. 249, Distinguishing.*  
*Darmouth Savings Bank vs. School District, 6 N. D. 332.*

#### VII. PAYMENTS.

*Public Funds—Voluntary Payment Can be Recovered Back.*—Where overpayments, out of public funds, were made under a mis-

take of facts, and were induced by plaintiff's false statements, they were not voluntary payments, and can therefore be recovered back by the county; and that the doctrine of voluntary payment does not apply to payments from public funds by agents of municipal corporations whose duties and powers in reference thereto are limited and defined by law.

*Wiles vs. McIntosh, 10 N. D. 594.*

## OFFICIAL BONDS.

### VIII. PRINCIPAL AND SURETY.

*Treasurer Liable on Official Bond.—When.*—Where bonds were not delivered to the treasurer for negotiation and sale an action will not lie against the treasurer or his sureties, on his official bonds for a breach of the conditions of such bond, which requires the treasurer to account for and pay over all moneys and property which comes into his hands as treasurer.

*Prairie School Township vs. Haseleu, 3 N. D. 328.*

## APPENDIX D

### NOTES AND REFERENCES.

Note 1. Section 343 fixes the bond of the superintendent of public instruction at \$5,000.

Note 2. Section 343 fixes the bond of the county superintendent at \$500.

Note 3. Article 9 provides for the filling of vacancies. Section 359 provides when vacancies occur.

Sec. 359. VACANCIES, HOW CAUSED.—Every office shall become vacant on the happening of either of the following events:

1. Death of the incumbent.
2. His insanity judicially determined.
3. His resignation.
4. His removal from office.
5. His failure to discharge the duties of his office, when such failure has continued for sixty consecutive days, except when prevented from discharging such duties by sickness or other unavoidable cause.

6. His failure to qualify as provided by law.
7. His ceasing to be a resident of the state, district, county or township in which the duties of his office are to be discharged, or for which he may have been elected.
8. His conviction of a felony or of any offense involving moral turpitude or a violation of his official oath.
9. His ceasing to possess any of the qualifications of office prescribed by law.
10. The decision of a competent tribunal declaring void his election or appointment.

See also section 730 of article 9.

Temporary absence from the district for which the officer is chosen does not work a forfeiture of the office. The failure to elect a successor in office does not create a vacancy.

Note 4. Section 645 does not confer upon the county superintendent authority to take acknowledgments.

Note 5. COUNTY SUPERINTENDENT, SALARY OF.—In determining the salary of the county superintendent that officer is entitled to include the actual number of schools or separate departments in graded and high schools over which he has general superintendence, or official supervision. (*See Sections 639 and 652.*)

The fact that a county superintendent becomes personally responsible for the accounting from special and independent districts as to reports of clerks and treasurers, which must be filed in his office for the purpose of statistics and the apportionment of the state school fund, does not, of itself, constitute "general superintendence" or "official supervision."

Note 6. Under section 653 a person to be qualified to hold the office of county superintendent must hold a state certificate or a first grade county certificate. Such first grade need not be issued in the county in which the county superintendent resides, but must be of legal effect at the time the holder assumes the duties of the office.

Note 7. The amendment to section 660, passed by the legislature of 1899, was declared to be unconstitutional by the supreme court in the case of *Plummer v. Borsheim*, 8 N. D. 565, 80 N. W. Rep. 690. This restores section 660 of the revised codes of 1895, which will be found in its proper place.

Note 8. Section 667, revised codes, does not permit the organization of a district when there are twelve or more children of school age therein, with the requisite amount of taxable property, as specified by section 660, revised codes.

Note. 9. ELECTIONS. TERMS OF OFFICERS.—No vacancy exists to be filled by appointment when a school board fails to hold an election at the time prescribed in article 4 of the general school laws. The officers whose terms expire and whose successors would have to be chosen at a regular election do not vacate their office but hold until their successors are duly elected and qualified agreeably to the provisions of section 670, revised codes.

Note 10. Section 672 prescribes who is qualified to vote or hold office and refers to the following section which embodies section 121 of the constitution :

Sec. 479. (*Amended by Chapter 89, Laws of 1903.*) WHO ENTITLED TO VOTE.—Every male person of the age of twenty-one years or upwards, belonging to either of the following classes, who shall have resided in the state one year, and in the county six months, and in the precinct ninety days next preceding any election, shall be a qualified elector at such election :

First—Citizens of the United States.

Second—Civilized persons of Indian descent who shall have severed their tribal relations two years next preceding such election, provided, he has complied with the provisions of any law which is now or may in the future be in force relating to the registration of voters, and all persons possessing the qualifications mentioned in this section, and who have resided in this state one year, shall be eligible to any office in this state, except as otherwise provided in the constitution ; provided, however, that persons shall vote in the precinct where they reside and not otherwise, except in the case of voters otherwise qualified, moving from one voting precinct to another, within the same county, in which case they shall have a right to vote in the precinct from which they move until they have resided ninety days in the precinct to which they move.

Note 11. Section 680 provides for the appointment of a clerk. His qualifications must be those of an elector of the district for which he is chosen as clerk.

Note 12. Section 681 provides for four regular meetings and fixes the salary of each director at \$8 per year, less \$2 for each meeting missed. No additional compensation is allowed for special meetings.

Note 13. There is no conflict between sections 689 and 770 relating to a breach of the conditions of a school treasurer's bond. Section 770 is merely cumulative prescribing that action against the treasurer failing or neglecting to pay over funds belonging to the district may be begun by the district school board, or the county superintendent or any taxpayer.

Note 14. SCHOOL PRIVILEGES FOR NONRESIDENT PUPILS.—Under section 696, revised codes, the school board is empowered "to admit pupils from other districts when it can be done without injury or overcrowding such schools." The board is further authorized and empowered to make regulations for their admission and the payment of tuition. Whether or not any provision be made for admission of nonresident pupils is discretionary with the board.

Note 15. SCHOOL HOUSE, LOCATION OF.—A school board may not lawfully erect a school house upon public school lands unless the board acquires title to the site the same as title would be acquired to any other land.

Note 16. ENUMERATION.—Persons can be enumerated only in the district in which they have a legal residence. The legal residence of a parent or guardian is the legal residence of the child. Where a party resides at two or more different places during the same year, it appears by the decisions of various courts that it is a privilege of said party to determine which place is his legal residence unless he exercises his rights of citizenship, for instance, by voting or attending caucus at one place or the other. Such action would indicate his real intention.

Note 17. STATE SCHOOL FUND NOT TO BE USED IN SUPPORT OF PRIVATE OR DENOMINATIONAL SCHOOLS.—Under section 152 of article 8 of the constitution no money raised for the support of public schools of the state shall be appropriated to or used for the support of any sectarian school. There is nothing contained either in the constitution or statutes which warrants any other use of the funds than for the support of the common schools.

Note 18. TEACHERS' PERMITS.—A permit to teach must not be issued to a person under the age of 18 years.

Note 19. CERTIFICATES, ISSUANCE OF THIRD GRADE.—Under section 742, revised codes, a county superintendent may issue a third grade certificate to a party who has taught less than fifteen months on a third grade certificate, irrespective of the number of third grade certificates that may have been previously issued to said party.

Note 20. TEACHER'S CONTRACT NOT AFFECTED BY CHANGE IN ORGANIZATION OF DISTRICT.—A contract made and entered into between a general school district and a teacher is not modified by reason of reorganization of said general district into a special district during the time for which the contract was made, and the district is not relieved from the fulfillment of the obligation.

Note 21. **TEACHER'S SALARY WHEN SCHOOL CLOSED ON ACCOUNT OF QUARANTINE.**—If under the general quarantine regulations a school be closed in due form, the teacher's right to collect pay for the time school was closed is governed by the general laws relating to employer and employe. During the time said school is closed the teacher is under contract subject to the pleasure of the board, and during the existence of such contract is unable to be a party to another.

Note 22. **TEACHER'S REPORT AND SALARY.**—A teacher is entitled to pay at the close of each month's work, except for the last month in any term, when the same may be withheld until correct reports are made and filed by the teacher, as provided by section 748, revised codes. This section does not authorize the withholding of the teacher's wages for any other month in the term.

Note 23. Section 778 requires the certificate of the county auditor in addition to section 187 of the constitution and other statutes as to the issue being within the debt limit. Section 2057 requires also a certificate of the treasurer. These are applicable to special and independent districts as well as general districts.

Note 24. **TREASURER'S BOND.**—In a special school district the treasurer of the city, town or village is treasurer of the board of education. By reason of being under bond as treasurer of a municipal corporation he is not relieved thereby from giving bond as treasurer of said school district, under section 805, revised codes.

Note 25. **ALIENS NOT ENTITLED TO A CERTIFICATE OR PERMIT.**—Under section 742 a county superintendent is forbidden to issue a certificate or permit to teach to any party who is not a citizen of the United States unless he has resided in the United States one year last prior to the time of such application for such certificate or permit. A declaration of citizenship alone does not entitle one to either certificate or permit.

Note 26. Section 309 provides for the designation of an accounting officer for each public institution and defines his duties.

Note 27. Sections 5124 and 5125 pertaining to holidays are as follows:

Sec. 5124. **HOLIDAYS.**—Holidays are every Sunday; the first day of January, which is New Year's day; the twelfth day of February, which is the birthday of Abraham Lincoln; the twenty-second day of February, which is the birthday of George Washington; the fourth day of July, which is the anniversary of the Declaration of Independence; the twenty-fifth day of December, which is Christmas day; the thirtieth day of May, which is Memorial day; every day on which an election is held throughout the state, and every day appointed by the president of the United States or by the governor of this state for a public fast, thanksgiving or holiday.

Sec. 5125. WHEN FOLLOWING DAY HOLIDAY.—If the first day of January, twelfth day of February, the twenty-second day of February, the fourth day of July, the thirtieth day of May, or the twenty-fifth day of December falls upon a Sunday, the Monday following shall be the holiday.

Note 28. Section 340 relating to bonds by officers, is as follows:

Sec. 340. Each civil officer elected by the people or appointed by the governor or by any other authority, provided by law, except the governor and the officers and members of the legislative assembly, judges of the supreme and district courts, county commissioners, court stenographer, the mayor and aldermen in cities, the president and trustees in villages, but including township treasurers, clerks, justices of the peace, and constables, shall, before entering on his duties, give a bond conditioned for the faithful and impartial discharge of the duties of his office (naming it fully), and render a true account of all moneys and property of every kind that shall come into his hands as such officer and pay over and deliver the same according to law.

Note 29. Section 342, relating to approval of bonds, is as follows:

Sec. 342. APPROVAL OF BONDS.—The bonds of all state and districts officers shall be given to the state, shall be approved by the governor as to sufficiency, and by the attorney general as to form and such bonds and a duplicate original of the oaths of all such officers shall be deposited in the office of the secretary of state. The secretary of state shall keep a book in which shall be made a correct copy of such bond, which shall be called the "bond record" and, when such bonds shall have been recorded they shall be deposited with and kept on file in the office of the state treasurer, except the bond of the state treasurer, which shall be deposited with and kept on file in the office of the state auditor. The secretary of state and state treasurer on receipt of such bonds shall issue a receipt therefor and such receipt shall be filed in the office of the state auditor. The bonds of all county, township and municipal officers shall be given to the county; those of all county and municipal officers under the county shall be approved by the state attorney as to form and by board of county commissioners as to sufficiency, and such bonds and a duplicate original of the oaths of office of all other such officers shall be filed with the county auditor, except the bond and oath of such auditor, which shall be filed with the clerk of the district court for the county or judicial subdivision. The bonds of township officers shall be approved by the chairman of the board of supervisors of the township.

Note 30. The use of lignite coal is made obligatory by the following section:

Sec. 1030. PUBLIC INSTITUTIONS TO USE.—The various state institutions, county buildings and public school houses of this state shall use for fuel, native or lignite coal, and it shall be unlawful for any officer to purchase for use in institutions, county buildings and public schools any coal other than that taken from the mines within the boundaries of this state; provided, that the comparative cost of such fuel is not greater than that of lignite coal. This section shall not be construed, however, as prohibiting the use of wood at such institutions, county building and public schools, when the cost thereof does not exceed that of native coal, or the use of coal other than native lignite at such public schools as are located six miles or more from any mine or railroad station within the boundaries of this state; provided, that the comparative cost of such fuel is not greater than that of lignite coal.

Note 31. Section 370 authorizes the superintendent of public instruction and other state and county officers to appoint deputies and prescribes the manner of appointment.

Note 32. The oath of office prescribed by Section 211 of the constitution is as follows: "I do solemnly swear (or affirm, as the case may be) that I will support the constitution of the United States and the constitution of the state of North Dakota; and that I will faithfully discharge the duties of the office of ..... according to the best of my ability, so help me God" (if under oath), (under pains and penalties of perjury), if an affirmation, and no other oath, declaration, or test shall be required as a qualification for any office or public trust.

Note 33. BONDS.—The scope of chapter 187, laws of 1901, has been somewhat enlarged by chapter 127, laws of 1903, which is as follows:

Sec. 1. FURNISHING BONDS.—Whenever any county, township, city, village or school district officer, hereafter elected, shall be required by law to give or furnish a bond for the faithful performance of his duties, such bond may be executed by some responsible surety, fidelity, insurance or bonding company, authorized and qualified to do business within the state of North Dakota, and approved by the board of commissioners, trustees, supervisors, council or directors charged with the approval of the same; the premium for such bond shall be audited by such board and paid out of the general fund of the county, township, city or school district, as the case may be, for whose benefit the same is given.

Sec. 2. EXISTING LAWS NOT AFFECTED.—This act shall not affect the provisions of section 343a of the revised codes relating to county treasurers, nor the furnishing of a personal bond by any officer as may be provided for by any existing law.
